Type of Information Collected

The following is the type of donor information the Mission collects and maintains.

- Donation information: Amounts donated, date of donation(s), method and stimulus
- Information concerning hours you have volunteered
- Your requests and comments

How Information is Used

The Mission uses your data to maintain records of donations, send acknowledgements, mail year-end tax statements to you, send newsletters, notices and direct mail pieces, and for internal marketing purposes.

We normally add you to our mailing list, unless you request otherwise. Our third-party mailing service is contractually obligated to treat the lists with confidentiality and is prohibited from transferring them elsewhere. Corporate and Foundation sponsors are listed in our Annual Report and event programs. We use your written comments/letters occasionally to post on our website (in an anonymous fashion), and to respond to your inquiries.

Credit card numbers are NOT retained once processed. Our website has a link to a secure site we use with a SSL certificate. Donations over 2% of our entire budget must be reported on IRS Form 990, Schedule B. The Mission will not sell, rent, trade or transfer your personal information to outside organizations. Use of donor information will be limited to the internal purposes of the Mission. Nevertheless, security measures may not prevent all losses, and the Mission is not responsible for any damages or liabilities relating to security failures.
